

# Swans, Let It Come Down

There's Patchouli Blossom, Frankincense,  
And Rose

I'm Lavender, Lavender

There's Cedarwood, Champa. Musk, And  
Myrrh

I'm Lavender, Lavender

I Was Smoldering Then You Breathed Deep

May Your Soul Be Free Now My Smoke Is  
Sweet

There's Sandalwood, Lilac, Magnolia

I'm Lavender, Lavender

Ylang Ylang, Jasmine, Amber

I'm Lavender, Lavender

I Was Smoldering Then You Breathed Deep

Now Our Soul Is Free And Our Smoke Is Sweet

Lavender, Lavender
