

Swedish House Mafia, See The Light (feat. Friday

But I know
One day I'll see the light

But I know
One day I'll see the light

But I know
One day I'll see the light

But I know
One day I'll see the light

One day I'll see the light

But I know
One day I'll see the light

One day I'll see the light

Good night
Dawn is coming in

Good night
Dawn is coming in

Good night
Dawn is coming in

But I know
One day I'll see the light

But I know
One day I'll see the light

But I know
One day I'll see the light

But I know
One day I'll see the light

But I know
One day I'll see the light

But I know
One day I'll see the light

But I know
One day I'll see the light

But I know
One day I'll see the light

One day I'll see the light

But I know
One day I'll see the light

But I know
One day I'll see the light

But I know
One day I'll see the light

But I know

One day I'll see the light

Good night
Dawn is coming in

Good night
Dawn is coming in

Good night
Dawn is coming in

Good night
Dawn is coming in
