

# Swedish House Mafia, Underneath It All

If I have a son, I will name him King  
Teach him how to fight, teach him how to sing  
And that a good woman will show you who you are  
Not with her words, but with her heart

And underneath it all  
I love you  
Underneath it all  
I love you

If I have a daughter, I will name her Queen  
Teach her how to fight, teach her how to dream  
And too much satisfaction can be like hell  
If you want to start a revolution, start with yourself

And underneath it all  
I love you  
Underneath it all  
I love you

It's okay to smile, it's okay to cry  
Know your daddy's songs, they will never die  
And don't you feel guilty for what you've won  
There is good and evil in each and everyone

And underneath it all  
I love you  
Underneath it all  
I love you

Underneath it all  
I love you  
Underneath it all  
I love you

Underneath it all  
I love you  
Underneath it all  
I love you

I love you  
I love you  
Underneath it all  
I love you  
Underneath it all  
I love you

Underneath it all  
I love you  
Underneath it all  
I love you

Underneath it all
