

# Sweeney Todd, If Wishes Were Horses

You can do all the things that you've longed to  
And you won't have to wonder who you are  
You can be anybody you want to  
In a land full of promises and kings  
All your best laid dreams are for catchin'  
You can have the world to tie up on a string  
Just close your eyes and imagine

If wishes were horses  
Beggars would ride  
All dreams and desires would ride along side  
Worries and troubles would fall off behind  
If wishes were horses, beggars would ride

There's an all new-round everyday glow  
Like the young girl sang in the song  
"Somewhere over the rainbow"
