

# Sweet, Alexander Graham Bell

A candle flickers in a window  
Two thousand miles away she was there  
There's a young man thinking by a window  
How was she to know just how much he cared  
He always knew just what he could do  
He always knew that his dream would come true.

Alexander Graham Bell well he knew darned well  
He could find the only way to talk across the U.S.A.  
Telephone telephone never be on your own  
Many many years ago he started something with his first "Hello"  
'Hello"  
Alexander Graham Bell  
Alexander Graham Bell  
Alexander Graham Alexander Graham  
Alexander Graham Bell

The sun rises early in the morning  
Millions of people still unaware  
Something he discovered without warning  
So he could show a girl just how much he cared.

He always knew just what he could do  
He always knew that his dream would come true.

Alexander Graham Bell well he knew darned well  
He could find the only way to talk across the U.S.A.  
Telephone telephone never be on your own  
Many many years ago he started something with his first "Hello"
