Sweet, Alexsander Graham Bell

A candle flickers in a window

Two thousand miles away she waits there

There's a young man thinking by a window

How was she to know just how much he cared

He always knew just what he could do

He always knew that his dream would come true

Alexander Graham Bell

Well, he knew darned well

That he could find the only way

To talk across the USA

Telephone, telephone

Never be on your own

Many many years ago

He started something with his first " Hello, hello"

Alexander Graham Bell

Alexander Graham Bell

Alexander Graham, Alexander Graham

Alexander Graham Bell

The sun rises early in the morning

Millions of people still unaware

Of something he discovered without warning

So he could show a girl just how much he cared

He always knew just what he could do

He always knew that his dream would come true

Alexander Graham Bell

Well, he knew darned well

That he could find the only way

To talk across the USA

Telephone, telephone

Never be on your own

Many many years ago

He started something with his first " Hello, hello"

Alexander Graham Bell, Alexander Graham Bell

Alexander Graham Bell

Well, he knew darned well

That he could find the only way

To talk across the USA

Telephone, telephone

Never be on your own

Many many years ago

He started something with his first "Hello, hello"... (repeat twice till fade)
