Sweet, Burning/Someone Else Will

Ah Ah...

So tired of ya lyin'
Take it as it comes
you've bin hanging round all weekend
I'm not the only one
If we don't f**k you then someone else will

You F**k me in the kitchen You f**k me in the hall When your in the dressing room You f**k any one at all If we don't f**k you then someone else will

At the 3rd stroke It'll be 5 52 spacemen Watchout!

So tired of ya lyin'
Take it as it comes
you've bin hanging round all weekend
Now i'm not the only one
If we don't f**k you then someone else will
