

Sweet, Need A Lot Of Lovin

Mighty fine woman
Need her by my side
So I can rock and roll it
I can feel my pride
I gotta find a chicken
Gotta make up to
But I ain't no telling Sally
That I'm feeling blue
Don't let go
'Cause ya got me going
You're moving fast
And there ain't no slowin' you
I need a lot of lovin'
Gonna have a lot of lovin'
Need a lot of lovin' tonight
Early in the morning
'To the middle of the night
Gonna rock it to the rhythm
Of the early morning light
With my baby boogalooin'
And the feeling's getting strong
Gonna keep it in the move
Until the darkness come along
Don't let go
'Cause ya got me going
You're moving fast
And there ain't no slowin' you
I need a lot of lovin'
Gonna have a lot of lovin'
Need a lot of lovin' tonight
Mighty fine woman
Need her by my side
So I can rock and roll it
I can feel my pride...
