Sweet, Stairway To The Stars

The heroine's a hero Uprating me to zero I couldn't hold a candle to you The hardest part is leaving This web of love you weaving You've shattered my illusions I've come to the conclusion You' re gonna do a number on me I'll never get to heaven with you There's a stairway to the stars Yeah, but it's a freeway into your arms There's a stairway to the stars Yeah, but it's a freeway Stairway to the stars Girls in your condition They ain't in no position To do the things you're doing to me You opened like a flower You filled my head with power Boys get avaricious Feeling pretty vicious So don't you paint your fingers for me No, no, you'll never get to heaven with me (no way) There's a stairway to the stars Yeah, but it's a freeway into your arms There's a stairway to the stars Yeah, but it's a freeway Stairway to the stars Take the stairway to my heaven Take your stairway to my heaven Take your stairway to my heaven Take your stairway to my heaven There's a stairway to the stars Yeah, but it's a freeway into your arms

Yeah, but it's a freeway

There's a stairway to the stars
