Sweet, Strong Love

You are the love of my life That's what you are to me You are the love of my life That's what you mean to me With my heart going boom boom Your love is driving me to ruin. Chorus Strong love is just too much for my heart Strong love is just too much for my heart Oh won't you kiss me again You sure know what you're doing Oh won't you kiss me again Don't you stop what you're doing There's something I just gotta say I can't keep it up every day With my heart going boom boom Your love is driving me to ruin.
