

Swingin' Utters, Lazer Attack

Hands off I got no fingers get a load of my stingers I want a piece There's no misunderstanding I do
Lazer Attack
My God give me that razor or I'll zap you with this lazer frying your face you've gone the wrong dire
Get out of my way
Get out of my way
Your noise is making me smile take the switch from the top of the pile Lazer Attack (Wickersham)
