## Switchfoot, Circles

Another day
Another sunrise
Another factory call
Another night
Another sunset
Another freefall

Am I alive? Am I on purpose? Within the weakness Within the weakness

Spinning out in circles In circles, in circles Spinning out in circles In circles, in circles

Another day Another lifetime Another engine stalls Another line Another freeway Another freefall

Am I alive? Am I on purpose? Within the weakness Within the weakness

Spinning out in circles In circles, in circles Spinning out in circles In circles, in circles In circles, in circles

I've lost all that I wanted to leave I've lost all that I wanted to be Don't believe that there's nothing this true Don't believe in this modern machine The modern machine

## Circles

Spinning, Spinning In circles, in circles Spinning out in circles In circles, in circles In circles, in circles
