[Hook]

Ridin' with my top down, and my jewelry on  
Hey, I'm just getting my hood on  
I'm just, I'm just, doing my thing  
I'm just, I'm just, (pimp) doing my thing  
Hey (yup) hey (yup) hey (yup) hey  
I said I'm ridin' with my top down, and my jewelry on  
Hey, I'm just getting my hood on

[Verse 1]

I'm in the hood bouncin', spray it like a fountain  
Money like a mountain, tell me why you're poutin'  
I know why you're poutin', because we getting paper  
Hey, tell 'em again, Swizzy, we getting that paper  
I'm in the hood, top down, with my jewelry on me  
With security on me, I got my goons on me  
I get 'em off me, I shake them haters off me  
DJ, get 'em off me, I shake them haters off me  
Niggas is you with me? My bitches is you with me?  
If you got a problem, then sucker come and get me  
Y'all know my name  
You see the candy paint, it spell my name, Swizzy

[Hook]

[Verse 2]

It's like bump, bump, bump, bump, bump  
You know the block is bumpin'  
Fiends on the corner, man, you know the block is bumpin'  
Speakers in your trunk, shit thumpin'  
They playing my song, people is jumpin'  
Now, we got a little block party, y'all  
And there ain't nothing but Henny and Bacardi, y'all  
Sitting on a stoop, on a milk crate  
How you living life? Fucker say "Great!"  
How many of y'all come from nothin' into somethin'?  
Why these niggas hating? Why these niggas frontin'?  
We just ridin' with our tops down  
Niggas acting like somebody got shot now

[Hook]

[Verse 3]

This chick said "Swizz, I wanna ride in your Viper."  
I said "Hell nah, don't you know that's a Spyker?"  
Number two out of only 20 in the world  
You sit in my seat, it'll change your world  
I'm fresh to death, like a million bucks  
Threw on my Louie hat, with my fucking Gucci chucks  
Stepped out the Benz, that bitch said "Oh no!"  
I said "Easy chick, you know I gotta go."

[Hook]

[Outro]

Wherever you are (Shine!)  
Whoever you are (Shine!)  
Wherever you are (Shine!)  
Whoever you are (Shine!)  
Wherever you are (Shine!)  
Whoever you are (Shine!)
