

SWV, You're The One For Me (Puff Daddy Remix)

(featuring Busta Rhymes)

Busta Rhymes and SWV

Puff Daddy Remix

One time, blowin' your mind

(And you don't stop, remix)

You're the one for me

You can call on me

It's all I want us to be (oh yeah)

You're the one for me

I know that you're somebody else's guy

But these feelings that I have for you I can't deny

She doesn't treat you the way you want her to

Come on stop running, I wanna get with you

What your girl don't know won't hurt her

Anything to make this love go further

chorus

You're the one for me

When you need

You can call on me

When in love

It's all I want us to be

'Cause you're the one

You're the one for me

This can be an undercover romance

'Cause I feel that I'm the type of girl you should give a chance

Taste and see (taste and see)

How good it can be (how good it can be)

'Cause you don't have to worry, baby

What your girl don't know won't hurt her

Anything to make this love go further

chorus

So

What's my chance

I'm willing to do anything to get

In your pants

You don't have to worry I won't

Say a thing

And if she finds out I don't

Know a thing

Check this out

Yo!

And if you ain't the bangest chick I ever saw ya, ya, ya, ya, ya

From the ceiling to the floor, I look from top to bottom

Analyze the middle of your cleavage and your draws

Everything remains, baby, I love the way when you strut

When you walk by got a wide angle lens focused on your butt

Perplex your looks make me black and polised

Carmel, city stacking bone, now I'm walking tippy toe-ish

Amazing how you got my heart pumping

Whole entire body cocked on diesel like we running track or something

I knew that you were the one for me

Word is born on Flipmode and SWV

Got the opportunity, to see how suitable and beautiful you can be

When you do your nails and your cuticles

Just stay sharp, Lord, word on my son

Let it manifest for sure that you're the one
