

SYLOSIS, Born Anew

Perceive new life
A third eye
Phantom limb
Cut out your heart
To wash away the stain
I see everything
For I am the seas
I am the sky
I am the sun

And I will pull you in
To show you the new life
To open your eyes
It's all falling to pieces
Beneath your feet

Life is pain
Defined by a lie
Exist to defy
If I'm heading that far down
I'm taking you with me
I am the seas
I am the sky
I am the sun

And I will pull you in
To show you the new life
To open your eyes
It's all falling to pieces
Beneath your feet

Clouding your judgement
Your obsessions will eat away at you
The blind leading the blind
Into a convergence of fools
