

# Sylvan, Childhood Dreams

If you want to be the king of this land  
Just close your eyes and see  
Lay down and sleep

If you want to run faster than light  
Then close your eyes and see  
Lay down and sleep

All those secrets I once knew  
Like a dream they passed away in time

If you want to fly like a bird  
Just close your eyes and see  
Lay down and sleep

If you want to swim like a fish  
Then close your eyes and see  
Lay down and sleep

All those secrets

My child
