

SZA, Drew Barrymore

Why i sit so hard to accept the party is over?
you came with your new friends
and her mom jeans ans her new Vans
and she's perfect and I hate it
so glad you made it
I;m glad you could come by
somebody get the tacos
somebody spark the blunt
let's start the Narcos off at episode one
Bring the gin
got the juice
bring the sin
got that too
won't you just shut up
know you're my favorite
am I...

warm enough for ya outside baby
is it warm enough for ya inside me, me, me
warm enough for ya outside baby
warm enough outside, inside me, me, me

I get so lonely
I forget what I'm worth
we get so lonely
we pretend that this works
I'm so ashamed od myself think I need therepy
I'm sorry I'm not more attractive
I'm sorry I'm not more ladylike
I'm sorry I don't shave my legs at night
I'm sorry I'm not your baby mama
I'm sorry you got karma coming to you
collect your soul, get it right

warm enough for ya outside baby
is it warm enough for ya inside me, me, me
warm enough for ya outside baby
warm enough outside, inside me, me, me

Sorry, I just need to see you
I;m sorry I;m so clingy
I don't mean to be a lot
do you really wanna love me down
like you say you do?
give it to me like you say you do!
Cause it's hard enough you got to treat me like this
lonely enough to let you treat me like this
Do you really love me
Or just wanna love me down, down, down

warm enough for ya outside baby
is it warm enough for ya inside me, me, me
warm enough for ya outside baby
warm enough outside, inside me, me, me
