

Szatt, I Guess My Brother Got Shot (feat. Vito)

Sun already went to sleep
I'm in the mood for a couple of everything
Where is my bwoy, I have good Jamaican dope (?)
Brother let me know

Six goddamn hours passed
And there's no fucking call
I killed it all
Bitch, I'm higher than someone who's tall
Sun is back
What a shame
And I'm thinking

I guess my brother got shot by this lady
He's not givin' me a call
He's not answering at all
Well, I think he got shot by his baby
He is unavailable
No way to move
Probably ...

Shot, shot, shot, shot
Shot she shot him down (x2)

Shot, shot, shot, shot
Shot she shot him down (x4)

I guess my brother got shot by this lady
He's not givin' me a call
He's not answering at all
Well, I think he got shot by his baby
He is unavailable
No way to move
Probably ...

Shot, Shot, Shot, Shot
Shot she shot him down (x2)
