[Verse 1]

Do it to the maximum, take it why you asking them?  
Don't listen to them suckas when they say you too irrational.  
I said I was King and them lames started laughing  
Them same suckers now want the King on the track wit em  
I composed several classicals  
You know like Top Back, Dope Boyz,  
Bring 'Em Out, and What You Know about that  
Now they ask how I talk what you know about that  
Dominated '06, now I'm going right back  
See me reign hell, lettem show me like that  
Even Denzel say "damn, I ain't know it like that"  
Nigga yea, still bankhead you can tell  
Ain't nothing changed but the name on the mail  
I still kick in doors with them thangs in the air  
Up in Benihana, see me slang in da chair  
I will slang cane, no such thang as a jail  
Said you need a hundred squares they just came off the scale

[Chorus]

Do it (3x) whatchu waiting for  
Do it (3x) whatchu waiting for  
Do it (3x) whatchu waiting for  
Now Lemme hear you say  
Big shit poppin, and lil shit stoppin (3x)  
Ball on these niggas being broke is not an option

[Verse 2]

Do it like a ball playa, when you see me ballin  
Stacks tall as ball playas, from the stage to the air  
Whether in Miami, Cincinnati or in Riverdale  
Arizona, California, make it rain anywhere  
Pullin out that pistol nigga who you think u finna scare?  
20 rounds of missles have you pissin in your underwear  
I tote a pound, 40 cal, so you better tone it down  
I suggest you adjust the bass, except for when it going down  
A-town, west side, Club Crucial, catch me,  
Right up at the top where Big Kuntry, Dro & Mac be  
Jackers lying say they caught me slipping how could that be  
I'm something like a stalker I be everywhere the strap be  
The trap be, jumping with that 100 dollar slab  
If I wanted nigga I could get 100 on the tab  
Sell em all double down Nigga do the math  
Think I won't pull up in something with 200 on the dash?

[Chorus]

Do it (3x) whatchu waiting for  
Do it (3x) whatchu waiting for  
Do it (3x) whatchu waiting for  
Now Lemme hear you say  
Big shit poppin, and lil shit stoppin (3x)
