

T.Love, Never come back

Bye bye babe, break a leg
Shake yuor mummy
I never come back
Bye bye honey, it's over now
Cut that crap,
Shut your mouth

Get out of my house
You said i'm punk
(I'll) give you some money
Because i'm drunk

I'm so selfish, reckless guy
Have bad seeds
On my mind
I'm so stupid the great pretender
Nasty lair
Bad deffender

Get out of my house
You said i'm punk
(I'll) give you some money
Because i'm drunk

Bye bye babe, set me free
I'm not a whipping boy
Don't wanna be
Taste it babe, test your pain
I never come back
Never again

Get out of my house
You said i'm punk
(I'll) give you some money
Because i'm drunk
