

T-Pain, Calm The Fuck Down

(Ohhh, Yeah) (x2)

I don't know (I Dont No)

Say I'm doing no thing but its something no matter what i do

You can go

Oooo, Pack your bags and run and get the money girl its all up to you

I cant stay ooh(stay home)

Not with all this fussing and this arguing and cussing at me

Go away ooh(away ooh)

Hundreds dollars fifties when them twenties get to busting you'll see

(Chorus x2)

But baby girl i cant take all of this fussing and hollering,
moving and tossing shit around

And you best not throw them pots and them pans in here

Im the man in here

You Betta calm the fuck down

Now I know (Now I know)

All your friends want me and you to break up

To make up

Its Fo' sho

Oooh They just player haters commentators

Tell them hoes to just FACE Up

Cuz were in love (love)

They don't wanna see us happy walking, talking doing our thang

But hold up (uuuup)

Oooh You cant disrespect me bitch get outta and give me back all my change

(Chorus x2)

But baby girl Im not goin take all of this fussing and hollering moving and tossing shit around
and you best not throw them pots and them pans in here

Im the man in here

You betta calm the fuck down

Now I see(Now I see)

That you and me shouldn't be

oooh its the end cause you gone let your friends tell you how to live

Now I see(Now I see)

That you and me shouldn't be

oooh its the end cause you gone let your friends tell you how to live

And baby girl I'm not gone take all of this fussing and hollering moving and tossing shit around(you
and you best not throw them pots and them pans in here

Im the man in here

You betta calm the fuck down

(doo doo doo doo Dough ohh)

You Betta Get Out My Face Bitch!
