[Verse 1]

She got me doin da dishes

Anythang she want for some kisses

I'm cookin for her when she gets hungry

She waitin in the back like she want me

She cuttin off all my homies

Even all my other ronnies

She ain't even my main lady

See I been thinking 'bout it lately

Man she really don't deserve me

All she wanna do is hurt me

So I gotta get away from her...

But I got to do it quickly

Before she try to come and git me

And I'm takin everythang with me...

Well it all come down to her...

[Chorus]

I'm Sprung...(I'm sprung)

How She Got Me...

Got me doin things I'll never do If u ain't been I'm tellin you

I'm Sprung...(I'm Sprung)

How She Got Me...

Got me doin things I'll never do If u ain't been I'm tellin you

[Verse 2]

So we went our separate ways...

It's been a couple of days...

But now I'm doin what I want to

With nobody tellin me what I'm gonna do

And I'm feeling so free...

With nobody but me...

Now I can handle all my business

Alla' my fellas can I get a witness

But I'm feelin kinda lonely

On top of that I'm kinda horny

And I gotta get back to her...

Now I'm leavin quickly...

Before she come and try to get me...

And I'm takin everythang with me...

Well it all come down to her...

[Chorus]

I'm Sprung...(I'm sprung)

How She Got Me...

Got me doin things I'll never do If u ain't been I'm tellin you

I'm Sprung...(I'm Sprung)

How She Got Me...

Got me doin things I'll never do If u ain't been I'm tellin you

You Do [5x]

Do [16x]
