

T. Rex, Mellow Love

Mmm Mmm Mmm Mmm
Mmm Mmm Mmm Mmm
I want some mellow love
Mellow love I want it
I want some mellow love
Mellow love I want it

I... want some love
I... want some love

I want some mellow love

Mellow love I want it
Don't want no zero chick
No zero chick to love me
Don't want cosmetic stick
Just want someone to hug me

I... want some love
I... want some love
I want some mellow love, love

Take me girl
Make me girl
I'll be the only one you need
Take me girl
Make me girl
I'll be the only one you need
Mellow love

I want some mellow love
Mellow love I want it
I want some mellow love
Mellow love I want it

Repeat till fade....
