

# T. Rex, Misfit

Surplus store misfit  
I don't wanna quit  
too many times I chickened  
and just split.

Bill the little misfit  
I don't wanna see  
pop out picyures  
of you and maybe me.

Baby why don't you  
scream and split  
I cant break away  
I just seen the light.

Wimpy bar misfit  
I don't wanna be  
like Billy the kid  
left hangin' from no tree.

Strung along misfit  
I don't wanna see  
people put you down  
and all I wanna be is free.

Water bed misfit  
I don't wanna be  
used and ridden and hidden  
most mysteriously.

Scary little misfit  
I don't wanna see  
every scene tha's been  
and every scene that's liable to be.

Why don't you  
just scream and split  
cos I can' break away  
I just seen the light.
