

Tadpole, Alright

I can see it in your face
Don't think that I don't recognize it
I was adored once too
Soon you'll be bitter and old, my dear
We'll see about these feelings you have
They'll be the death of you

Needy, wanting, guilty, laden
Needy, wanting, guilty, laden
Needy, wanting, guilty, laden
Needy, wanting, guilty

There ain't enough to go 'round in this world
It's alright
Ain't enough to go 'round in this world
It's alright
Enough to go 'round in this world
It's alright
There ain't enough to go 'round in this world
It's alright
Yeah, it's alright
Yeah

Take a good look around, my dear
You'll see what everyone can see
You've been a fool for love
Wipe off those snivelling tears
And wean yourself from this dependency
It's just not pretty

Needy, wanting, guilty, laden
Needy, wanting, guilty, laden
Needy, wanting, guilty, laden
Needy, wanting, guilty

There ain't enough to go 'round in this world
It's alright
Ain't enough to go 'round in this world
It's alright
Enough to go 'round in this world
It's alright
Ain't enough to go 'round in this world
It's alright
Yeah, it's alright
Yeah

Needy
Wanting
Guilty
Laden
Needy
Wanting
Guilty
Laden

There ain't enough to go 'round in this world
It's alright
Ain't enough to go 'round in this world
It's alright
Enough to go 'round in this world
It's alright
Ain't enough to go 'round in this world
It's alright
Yeah, it's alright

Yeah

There ain't enough to go 'round in this world

It's alright

Ain't enough to go 'round in this world

It's alright

Enough to go 'round in this world

It's alright

Ain't enough to go 'round in this world

It's alright
