

# Tadpole, For Me

I do not want to  
I do not need to  
I do not have to

What I did I did for  
What I did I did for  
What I did I did for me

I feel so lonely  
Cause no one loves me  
I feel so lonely  
Full of self-pity  
No one cares for me  
I feel so ugly

(What I did I did for...)

Make a cut in yourself  
A little opening for the pain to get in

And if you could be true  
And if you loved me too  
Then I would not have to  
No love should come for free  
What I do I do for  
No love should come for...

(What I did I did for me...)
