## Tahiti 80, Puzzle

You spend your days on your own Thinking about troubles of your own You dream of the day You will accept your reflections all alone

You're not the only one To feel that way you know I'm not the only one To feel that emptiness in me

You know that's why I'd like to be somebody else Somebody without feelings Only sensations and money

There is nothing within my range That can bring this radical change Everyday's the same The story's rather tame

Among everyone I know
No one ever shows
What in their heart grows
Or I guess I don't want to know
I'm afraid of what I'd see
People disgust me
When I find out what they're all about

You're not the only one To feel that way you know I'm not the only one To feel that emptiness in me

You know that's why I'd like to be somebody else Somebody without feelings Only sensations and money

...Only sensations, Sensations, sensations, and money
