

# Take That, Everything Changes

Girl, come on over here  
Let me hold you for a little while  
And remember I'll always love you  
Forever  
Everything changes but you

We've said goodbye, the taxi cab is waiting  
Now don't you cry, just one more kiss  
Before I have to go  
Hey girl I know the situation changed  
And so much is new but something in my life  
Remains the same cos

Everything changes but you  
We're a thousand miles apart  
But you know I love you  
Everything changes but you  
You know everything single day  
I'll be thinking about you

The rumors true, you know that there've been others  
What can I do, I tell you baby they don't mean a thing  
Now girl don't go and throw our love away  
I'll be home soon back in your arms to hear you say that

Everything changes but you  
We're a thousand miles apart  
But you know I love you  
Everything changes but you  
You know everything single day  
I'll be thinking about you

Everything changes but you  
We're a thousand miles apart  
But I still love you  
Everything changes but you  
I'll spend everything single day  
Thinking about you

Though everything changes around us  
(Baby don't U cry)  
We will be the same as before more

Everything changes but you  
We're a thousand miles apart  
And I still miss you baby  
Everything changes but you  
You know everything single day  
I'll be thinking about you

Everything changes but you  
I'll be thinking about you,  
Thinking about you  
Everything changes but you  
Cos you know I love you  
Know that I love you

Everything changes but you  
I'll be thinkin' about you,  
Thinking about you  
Everything changes but you  
I love you, I love you
