## Take That, Give Good Feeling

You've got to hold me, and control my dreams I want you to fulfil my needs, I feel it babe Something good is gonna happen I can't believe in this world I see I reach out to you, set me free from these chains I'm holding on, trying hard Just so you know I'm here waiting for you to

[CHORUS:] Give good feeling to me Baby I know this feeling won't go Makes you want to be free In a world where we fly, fly, fly

Don't let me go, I will be your prisoner Hold me down and I will give you my reasons for Loving you, needing you, can't do without ya If you think I'm crazy for loving you baby Then I will show you the feeling Holding on, trying hard Just so you know I'm here waiting for you to

[CHORUS]
