Take That, Hold On

We've been here many times before Leaving rooms and slamming doors We're climbing up the bedroom walls Sometimes we make it so frustrating I touch your mouth, I touch your lips The answers at our fingertips Not giving up or giving in Why are we so complicated?

Oh tell me what to say, tell me To make it all ok.

I don't wanna see you hurting Just hold on Just hold on to me I don't wanna see you crying So hold on So hold on to me.

I'm triyin' to think of what to do
To really make it up to you
So many truths, too many lies
Making love can be so crazy
I find myself back here again
Asking you to let me in
You know it's time, we need to change
How can we live with all these maybes?

There are no words that say, no words To make it go away.

'Cause baby it's alright I'm staying here tonight So hold on

Just tell me what to say To let you know I'll always stay.
