

# Take That, Love Ain't Here Anymore

Baby don't you want me to go  
So honey, why don't you beg me to stay  
For love, and talk the way we used to talk  
Till we both know what we've lost  
Never say the words we did before  
When it was over

Love ain't here anymore  
Love ain't here anymore  
It's gone away, to a town called yesterday  
Love ain't here anymore

Listen, oh listen, I don't wanna let go  
So maybe we can change the way we feel  
For love, and open up the way we did before  
Now is the right time  
And I'm sure you'd never say the words you did  
Until you knew it was over

Love ain't here anymore  
Love ain't here anymore  
It's gone away, to a town called yesterday  
Love ain't here anymore

And when I find a place for me to keep my sweet love  
Then I will leave it there forever more, yeah  
And when I find someone to share I'll never give up  
I will hold you and believe that this life leads to more

Love ain't here anymore  
Love ain't here anymore  
It's gone away, to a town called yesterday  
Love ain't here anymore
