

# Take That, Never Want To Let You Go

Lying here beside you, in a cloud of warmth  
I've been awake all night but move  
Though I know I should  
Counting curls n your hair, as you sleep so tight  
I wonder if you'll ever know 'till I go  
The chances are you'll be there too some day  
We'll never know, let's hope

## CHORUS:

Never wanna let you go  
Never wanna let you go  
All I can do is hope  
'Cause I never wanna let me go

Dreaming soft in silence, been working hard all day  
Still in the night grows darker, I'm with you in every way

## CHORUS

I don't know whether I'm trying to love, love you baby  
Been round long enough to know
