Take That, Never Want To Let You Go

Lying here beside you, in a cloud of warmth I've been awake all night but move Though I know I should Counting curls n your hair, as you sleep so tight I wonder if you'll ever know 'till I go The chances are you'll be there too some day We'll never know, let's hope

CHORUS:

Never wanna let you go Never wanna let you go All I can do is hope 'Cause I never wanna let me go

Dreaming soft in silence, been working hard all day Still in the night grows darker, I'm with you in every way

CHORUS

I don't know whether I'm trying to love, love you baby Been round long enough to know
