Take That, Once You've Tasted Love

(Love. Once you've tasted love) x 4

Don't be sold a dream. Remember how the past has been Don't be led to believe thias one's for you Calculate your needs. I see there's room to plant your seeds Don't decide till you see how the others have grown

Once you've tasted love it is just the beggining of a new world Once you've tasted love there's no way you can give in Once you've tasted love

Still too early to know. Give them time and they will grow Don't believe that the first's the one for you Most will grow to be tall, others will break and fall Keep your eye on the strongest head of them all

Once you've tasted love it is just the beggining of a new world Once you've tasted love it is just the beggining Your head is spinning Once you've tasted love

Once you've tasted love it is just the beggining of a new world Once you've tasted love there's no way you can give in Can't control your mind and your head is still spinning Once you've tasted love is just the beggining Once you've tasted love

Once you've tasted love, you know is good Come taste my love You know you should

RAP:

Came into my world and the badness dissapeared Take my hand, don't be afraid, I'm gonna work off all your fears It feels so nice to be with you. Us two, we feel like a glove When I see your eyes I realise you too have tasted love

Once you've tasted love, you know it's good Come taste my love You know you should
