

# Take That, The Flood

Standing, on the edge of forever,  
At the start of whatever,  
Shouting love at the world.  
Back then, we were like cavemen,  
We'd beam at the moon and the stars,  
Then we forgave them.

We will meet you where the lights are,  
The defenders, of the faith we are.  
Where the thunder turns around they'll run  
So hard we'll tear the ground away.

You know no one dies, in these love town lies,  
Through our love drowned eyes,  
We'll watch you sleep tonight.  
Although no one understood  
We were holding back the flood,  
Learning how to dance the rain.  
We were holding back the flood  
They said we'd never dance again.

Bleeding, but none of us leaving,  
Watch your mouth son or you'll find yourself floating home.  
Here we come now on a dark star,  
Seeing demons, not what we are.  
Tiny minds and eager hands will try to strike  
But now will end today.

There' progress now where there once was none,  
Where there once was ah, then everything came along.  
Although no one understood,  
We were holding back the flood  
Learning how to dance the rain.  
There was more of them than us now they'll never dance again.

Although no one understood there was more of them  
Than us learning how to dance the rain,  
We were holding back the flood  
They said we'd never dance again.

We will meet you where the lights are,  
The defenders, of the faith we are.  
Where the thunder turns around  
They'll run so hard we'll tear the ground away.

Although no one understood,  
There was more of them  
Than us learning how to dance the rain.  
(learning how to dance the rain)  
There was more of them  
Than us now they'll never dance again.  
Now we'll never dance again.

Oh ahh, oh ahh, oh ahh...
