

# Take That, The Garden

And the fishermen came back across the water  
And the people started running in the park  
And the city stopped as I held you in my arms

We could hear the sound of sirens all around us  
And the scent of burning oil was in the air  
And the music played and it felt so good to hear

This is the life we've been given  
So open your mind and start living  
We can play a part if we only start believing

There's a stranger on the hill and he is speaking  
As the tear from every cloud begin to fall  
For one moment then we understood it all

Everyone, everyone, can you hear the soldiers coming  
Everyone, everyone, every man and every women  
We all fall, in the end, we're just miracles of matter  
So come on  
Let me love you

This is the life we've been given  
So open your mind and start living  
We can play a part if we only start believing  
Ouuuh  
This is the life we've been given  
So open your heart and start loving  
We can make a start if we only learn to listen yeaah

Then the crowd began to head for the horizon  
A million people walking back to work  
But you and me, we just lay down in the garden  
Yeah you and me, we just lay down in the garden

This is the life we've been given  
So open your mind to start living  
We can play a part if we only start believing  
Whoooo  
This is the life we've been given  
So open your heart and start loving  
We can make a start if we only learn to listen yeaah

Ouuuuh

You and me, we just lay down in the garden  
Yeah, The Garden
