

Tallia Storm, Still in Love

Ok. I'm moving on
This is my time to make this my song
This ain't no little lie
Ok. I've been replaced
This time it hurts
Go rub it in my face
What are you doing here?
Why can't you disappear?

She's young
She's fun
She's lit /2x
She's bold,
I'm old, got told
She's young
She's fun
She's lit /2x
No hate
I'm still in love with you
What do you want me to do?
After I walked away
U didn't get a say
Still in love /2x
I'm still in love with you

Ok. I'm a mess
This was a stress
You failed my tests
Wish I never trusted you, boy
Have been busted
This time we're done
This was no fun
I'm feeling so dumb
I feel so damn stupid
Where the heck is Cupid?

She's young
She's fun
She's lit /2x
She's bold,
I'm old, got told
She's young
She's fun
She's lit /2x
No hate
I'm still in love with you
What do you want me to do?
After I walked away
U didn't get a say
Still in love /2x
I'm still in love with you

We're over
Need no clouser
I saw you drove her
You want behind my back
Now I know that's a fact
This One was tough
I;m feeling rough
Not used to this stiff
Why can't I shake this tear?
Why do I want to near?

She's young

She's fun
She's lit /2x
She's bold,
I'm old, got told
She's young
She's fun
She's lit /2x
No hate
I'm still in love with you
What do you want me to do?
After I walked away
U didn't get a say
Still in love /2x
I'm still in love with you
