I've been waiting for you all day, heh

You're the only that can love me right

Heh, I don't know what else to say, heh whoo!

That's why you're all I think about

They don't wanna see you, you and me

But they don't know that just brings you closer to me

Cause...

Cause I'll always love you, oh

I wanna show the world that our love is so
