

# Tamara Gee, YOUR ALIBI

You've never really known how much  
How much I loved you  
All the times I've tried to show  
Just to worship your while  
I think of all the words that went to waste  
Nothing ever sink a penetrate  
Call them empty space surrounds your head

If you really .. past  
You are after me

..  
That I needed you badly  
I was terrify  
?

(poprawiając bo ja jej nie rozumiem)
