

Tamara Walker, Didn't We Love

quarter moon
always makes me think of you
are you thinking of me too
when you see it shine

its kinda sad
but i'm smiling
imagine that
'cause we were lucky to have what we had
if only for a time

didn't we set the nights on fire
did ever a flame burn any higher
wasn't it so sweet
wasn't it
didn't we love?

it's ok
sometimes i just get this way
i cant forget you anyway
i wouldnt even try

I'd rather fall
then never to have flown at all
it was heaven after all
if only for a time

didnt we set the nights on fire
did ever a flame burn any higher
wasn't it so sweet
wasn't it
didn't we love?

oooh didnt we have it all back then
will i feel that way again

didnt we set the nights on fire
did ever a flame burn any higher
wasnt it so sweet
wasnt it
didnt we love?

isn't it bitter sweet
isn't it
didn't we love?
