

Tamia, Imagination

See, ya'll wanna dance?(yeah,yeah)
Cuz I can make ya dance
All I want is for you to use your imagination
That's all

(CHORUS)

What makes us do
the things we do
That keeps me loving you
Imagination
And when you're in need
Ain't go nobody
Imagination sets you free, free

Everything you want is real close
when you close your eyes
And the things you think about the
most they come to life
When your relationship is heading for
the rocks
Gotta use your imagination to get you
back on top

(CHORUS)

It's the plae to look when you want
to have some fun
When you see it, say it, before
it's done
Imagine you and me
And how it could be
Exploring new ideas and what's going
to keep this loving real
When you get lonely
It'll make you get to the phone and
tell me how much you want me
And when you have a bad day
Little bit of imagination goes a
long way

(Chichio)

True boss player that's the chichi
Wanna get up out the store
You need to see me Now I got
you wondering What's behind the slouch
If you get too close will get turned out
No doubt It won't be the same if I hit it
Cause you always gon' want it the way
I did it I'm a keep you fresh
Make sure you stay kitted See once I got it
Can't nobody else get it
From the bottom to the top Til you say stop
You and me with the freaky south Gray Drop
I kiss everything I don't miss the spot
Stuff you ain't never ever seen from
the man you got I ain't hattin'
My imagination's just more advanced
So when you wanna dance Tamia I see ya
I'm still waiting You make me wanna...
Leave that to your imagination

(CHORUS)(Repeat)
