

# Tammy Wynette, Yesterday

Yesterday all my troubles seemed so far away  
Now it looks as though they're here to stay oh I believe in yesterday  
Suddenly I'm not half the girl I used to be  
There's a shadow hanging over me oh yesterday came suddenly  
Why did he have to go I don't know he wouldn't say  
I said something wrong now I long for yesterday  
Yesterday love was such an easy game to play  
Now I need a place to hide away oh I believe in yesterday I believe in yesterday
