

# Tamyra Gray, Raindrops Will Fall

There's a time for every star to shine  
and a place for ever-ry dream to see the light  
when you have everything  
you dont need another reason to be something  
nooooo  
hold on  
and look to your faith  
can't let nobody, nobody get in your way

I walk through the fire  
i walk through the raging storms  
till i'll found the peace thats in side of me  
i've got to be strong  
i stand for my dreams  
i was made for this moment  
take me as i am or nothing at all  
i'll keep holdin' on  
raindrops will fall

they're falling down on me but the sun is gonna shine  
oh i was taught not to run away cause raindrops will always fall on your face  
when it seems like all hope is gone  
you gotta get through the storm before you can see the dawn

this is all i am  
this is all i know  
and i wont never ever let go  
no i wont let goooooo

(I'll walk through the fire)  
and fight through the ranging storm  
till i find the peace inside of me i've got to be strong  
I stand for my dreams  
i was made for this moment  
take me as i am  
or nothing at all  
i'll keep holding on  
raindrops will fall

They're falling down on me  
but i know, i know, i know, i know, i know  
that the sun is gonna shine

raindrops will fall  
oh i know that the sun is gonna shine.
