

# Tanita Tikaram, Glass Love Train

When I was in love  
I thought it was enough  
Hiding on the Glass Love Train  
When we were ...  
Gentle as a river  
Hiding on the Glass Love Train  
Hey, hey, hey

You can't stop this wheels emotions  
You can't stop this wheels train

When you were a shadow  
Following the light  
Hiding on the Glass Love Train  
Did you feel the same?  
Everybody changes  
Hiding on the Glass Love Train  
Hey, hey, hey

You can't stop this wheels emotions  
You can't stop this wheels train

When I was in love  
Looking through the window  
Hiding on the Glass Love Train  
Will you take my soul  
Gentle as a river  
Hiding on the Glass Love Train  
Hey, hey, hey

You can't stop this wheels emotions  
You can't stop this wheels train
