

Tankard, Hard Rock Dinosaur

I don't like your clubs
I don't like your drugs
Where's my whisky bar?

I don't like this beat
It ain't got no meat
Need a mean guitar!

Fuck it all! Nobody singin' my song

Fuck it all! Nobody bangin' alone

Fuck it all!

Hard Rockin' Dinosaur
You gotta tell me where it's at
Hard Rockin' Dinosaur
This fuckin' planet cut no slack
Hard Rockin' Dinosaur
I need a heavy rockin' track

I don't dig your style
Polyester smile
Smell my leather, fool

I can't take your jive
No one here's alive
Better hot than cool

Fuck it all! Nobody singin' my song
Nobody singin' my song
Fuck it all! Nobody bangin' alone
Nobody bangin' alone
Fuck it all!

Hard Rockin' Dinosaur
You gotta tell me where it's at
Hard Rockin' Dinosaur
This fuckin' planet cut no slack
Hard Rockin' Dinosaur
I need a heavy rockin' track

Time to hit the road
Find my motherload
Cruisin' free again

Play the Ace Of Spades
This is how I made
(Cos) I'm a...

Hard Rockin' Dinosaur
You gotta tell me where it's at
Hard Rockin' Dinosaur
This fuckin' planet cut no slack
Hard Rockin' Dinosaur
I need a heavy rockin' track
