

# Tanya Tucker, San Antonio Stroll

When I was a child down in South Carolin'  
Soon as the Saturday sun went on down.  
My folks and sister would go,  
And leave me home all alone,  
Goin' to that big square dance in town.  
Well my old radio  
would play that old Opry show  
So I never got lonesome or blue  
I'd fall asleep in my chair  
and dream that I was right there  
Just a'singin' the whole night thru.  
When my folks would come home  
They'd be hummin' a song,  
Mama'd smile and say child don'tcha know  
There ain't a thing in this world  
To make you fall in love girl.  
Like the San Antonio Stroll.  
Well the day finally come  
When my momma said hun  
It's 'bout time you came with us as well  
Well I had me a time,  
Yes, I danced all night  
'Till they rang that old crack midnight bell  
Then the lights went down low  
The fiddler picked up his bow  
And he played something stately and slow  
And my sister Eileen and her husband to be  
They held hands and began to stroll.  
I've been away for awhile,  
But it still brings a smile  
When I think of the way that it goes  
Now I'll sing it to you  
Just so we both can do  
That old San Antonio Stroll  
Yes, I'll sing it to you  
Just so we all can do  
That old San Antonio Stroll.
