

Tarja Turunen, No Bitter End

()

When dreams are far away
Open up your () away
Have hope and save the day
She will follow () for you

()

We'll make the path for you
Till to the end walk you through

Time won't wait
Meet your fate
Never ...

Black
Like noevere
Tell me you don't need me any more

Hold on the ()
Forever still
No Bitter End
