

Taylor Dayne, Someone Like You

(Taylor Dayne, Lotti Golden, Tommy Faragher)

I hear your heartbeat inside of me
And I know I can never be free
Since you came in my life
I can't deny it
Every time we touch
Feel the fire, I'm burning up
No way to hide it
Baby it's true
I need someone like you
I never knew
How good it could be baby
I need someone like you
Needs someone like me
I have faith in the things you do
And I know I can reach out for you
Anytime, you'll be there
I'd never leave you
When times are down
And you're needing me around
Whatever we do
Baby it's true
I need someone like you
I never knew
How good it could be now baby
I need someone like you
Somebody who
Needs someone like me
I need someone like you
I never knew
How good it could be now baby
I need someone like you
Somebody who
Needs someone like me
I need someone like you
I never knew
How good it could be now baby
I need someone like you
Somebody who
Needs someone like me
I need someone like you
I never knew
How good this could be now baby
I need someone like you
No one can do what you do to me
