

# Taylor Swift, 7 Years and 50 days

7 years and 50 days the time is passing by  
nothing in this world could be, as nice as you and I  
and how could we break up like this?  
and how could we be wrong?  
so many years, so many days  
and I still sing my song

now i run to you, like i always do  
when i close my eyes, i think of you  
such a lonely girl, such a lonely world  
when i close my eyes, i dream  
i return to you, like i always do  
when i close my eyes, i think of you  
such a lonely girl, such a lonely world  
when i close my eyes i dream - of you

7 years and 50 days, now just look at me  
another girl like use to be  
so damn what do you see?  
and how could we break up like this?  
and how could we be wrong?  
so many years so many days  
and I still sing my song

now i run to you, like i always do  
when i close my eyes, i think of you  
such a lonely girl, such a lonely world  
when i close my eyes, i dream  
i return to you, like i always do  
when i close my eyes, i think of you  
such a lonely girl, such a lonely world  
when i close my eyes i dream - of you
