

Taylor Swift, Baby Don't Break My Heart Slow

I like the way you wanted me
Every night for so long baby
I like the way you needed me
Every time things got rocky

I was believing in you
Was I mistaken do you mean
Do you mean what you say
When you say our love could last forever

(Chorus)
But I'd rather you be mean than love and lie
I'd rather hear the truth and have to say goodbye
I'd rather take a blow at least then I would know
But baby don't you break my heart slow

I like the way you'd hold me
Every night for so long baby
I like the way you'd sing to me
Every time things got rocky

I was believing in you
Was I mistaken do you say
Do you say what you mean
When you say our love could last forever

(Chorus)
Cause I'd rather you be mean than love and lie
I'd rather hear the truth and have to say goodbye
I'd rather take a blow at least then I would know
But baby don't you break my heart slow

(Bridge)
You would run around and lead me on forever
While I stay at home still thinking we're together
I wanted our love to last forever

(Chorus)
But I'd rather you be mean than love and lie
I'd rather hear the truth and have to say goodbye
I'd rather take a blow at least then I would know
But baby don't you break my heart slow
Baby don't you break my heart slow
